" And I will be a father to you, and you shall be sons and daughters to me, says the Lord Almighty" - 2 Corinthians 6:18

Term 3 - Thursday 27th August 2020

Dear Parents, Families and Friends,

On Sunday 6th September, we pay special tribute to our Dads and the special part they play in our lives. For me, growing up without a dad, Father's Day always meant another opportunity to recognise the wonderful work that my mum did, each and every day.

A father is like the tallest tree, growing with branches extending to heaven and their roots firmly in the ground. Fathers are grounded, they care, they are survivors, they do what they have to do to make this world a safe place for their family. When you think of it this way, they have a pretty important role to play in our lives. We thank them for their strength, their guiding hand, their wisdom and their help.

God, the Father, gave up his only Son, Jesus, so that we might be saved through Him. He provides us with an example of the very special vocation that we call fatherhood. We ask God to bless you all and keep you safe as you do His work, here on earth.

So 'Happy Father's Day' to everyone who has ever played the role of 'Dad'. Whether it be a dad, brother, uncle, grandpa, cousin, friend, auntie or mum. This day is all about YOU, so embrace the opportunity to be celebrated.

RE News & Prayer for the Week with Mrs Brohm

Weekly Information

On Sunday nights, you will receive an email from me at about 6pm with information for the week ahead. It is really important that you read this bulletin carefully as it contains information regarding the learning ahead, responses to feedback and questions from both staff and parents and great tips to keep you all well during this time. The links to the weekly bookings for the Google Meets are also on this bulletin. I encourage you all to make the most of this opportunity to keep in touch with what is going on. This is my main way of communicating with you during this time.

School Promotion

With the introduction of Stage 3 restrictions, we are unable to have school tours or visits from our kindergarten children. I am hopeful that this will change in Term 4 so that we are able to, once again, showcase our school. In the meantime, everyone can play their part by promoting our school in any way that you can.

School Chooks

We have been extremely grateful to Sarah Terry for always taking on the responsibility of our 'girls' during the holidays. As many of you may know, Sarah has bought a house and will be moving later this term, so will be unable to take the chickens over the holidays. If anyone can take on this role, even just for the coming holiday break, please let us know at school. I promise that they are good girls!!!
