"Let today be the day you give up who you've been for who you can become." - Hal Elrod

Term 1 - Thursday, 27th February 2020

Dear Parents, Families and Friends,

Yesterday, Ash Wednesday, marked the start of possibly, the most important time in our Church - the season of Lent.

When I was growing up, the season of "Lent" meant that I needed to give up something that I loved, like chocolate or soft drink. I was taught that Lent is the season of self-denial and, whilst it made sense to give something up, it wasn't something that I necessarily looked forward to. In fact, I remember many people having negative thoughts about this time and it was often looked upon as a trial or chore.

Since growing up, my understanding and perceptions of this significant time in the Church's year has changed immensely.

Lent provides us with an opportunity to focus our attention on Christ and His sacrifice in the days leading up to Easter. As with any BIG event in our lives, we must prepare ourselves. Lent is a time to reflect on our own personal relationship with God in order to see what we need to do in our lives to become the person that God calls us to be. It is about revising our values and re-training our attitudes. Some may consider this to be a "spring clean" opportunity. We have the opportunity to throw out habits that hinder our relationship with God and build new habits that strengthen our relationship with God.

Lent is an opportunity for growth and a positive time to bond with our God.

RE News & Prayer for the Week with Mrs Brohm

Ash Wednesday

This week the season of Lent begins with Ash Wednesday, which also marks the beginning of the annual Caritas Australia Project Compassion Appeal. Donations to Project Compassion allow Caritas Australia, the Catholic Agency for International Aid and Development, to work with local communities around the world to alleviate poverty, hunger, oppression and injustice. We encourage you to put your compassion into action this Lent through your prayer, fasting and almsgiving by supporting Project Compassion.

Let's Go Further, Together!

PRAYER

God of all peoples and nations,
As you accompany us on
our Lenten journey,
May our fasting strengthen our
commitment to live in solidarity,
Our almsgiving be an act of justice,
And our prayers anchor us
in love and compassion.
Awaken our hearts and minds that
we may be one human family
As we all go further together.
We ask this in Jesus' name,
Amen

Head Lice

A couple of cases of head lice have been reported to the school. The students involved are in both the Junior and Senior classes. I ask **all** parents to check their children and treat them if necessary. Another way to control this is all students with long hair must wear their hair tied up.

Grade 5/6 Camp

Next week, our Grade 5/6 students will be heading off to Anglesea. We have some great activities planned with lots of fun at the beach. We wish them all safe travels and good times on their adventures.

Bridgewater Bus

Due to the Grade 5/6 Camp, there will be no Bridgewater bus service between Tuesday 3rd - Friday 6th March, inclusive. We will be taking the bus to Anglesea during this time. I apologise for any inconvenience that this may cause.

World Day of Prayer

Although our senior students will be on camp, members of our school community have been invited to attend the celebrations at St. Mary's Parish church at 10am on Friday 6th March. If you would like to attend, and you would like to take your child with you, please remember to sign them out at the front office. Mr. Paul Desmond, Director of Catholic Education Sandhurst, is the guest speaker for the event. For more information, please go to the website: <https://www.worlddayofprayeraustralia.org/>

"On-Call Bus Driver"

From time to time, Dianne Wayman is unable to drive our school bus due to other work commitments. If anyone knows of someone who has a medium - heavy rigid bus license who would be willing to be a backup driver for us, please let me know.

2020 School Photos

Our school photos have been booked for Wednesday, 15th April. This is the second day of Term 2 so we will ask all students to be wearing their summer uniform for these photos.

Thank You to the School Community

A big thank you to all of our school community who kindly donated plates of food for the recent catering requests from the Parents and Friends. There were plenty of donations that were very much appreciated by the family and friends involved. Thanks everyone.

Family Home Learning Task

Last week, we held a very informative session, at school, about the importance of *'Reading at Home'*.

It's the parents who have the homework this week!

It is your challenge to show an interest in what your child is reading.

After all, if you are interested, then so will they be.

Take the time to share your thoughts, opinions, ideas.

It will make a difference.

Shrove Tuesday

Shrove Tuesday marked a time on the calendar where people would clear their cupboards of foods and sweets that were not eaten during Lent, in preparation for fasting. On Tuesday, the Grade 6's made pancakes for the school and, together with the Grade 5's, served them at recess.

Library News.

BorrowBox eBooks & Audiobooks

Could students bring in their Goldfields Regional Library cards so we can get them set up to borrow ebooks and audiobooks from 'Borrowbox' which will be installed on the new school iPads.

Students will begin borrowing this week

If your child does not have a Library Card but a family member does, they can use their card.

If you would like your child to have a Goldfields Regional Library card, you can apply for one at the Inglewood Community Resource Centre.
