DIRECT DEBITING FORM

Dear Parents,

We are continuing the direct debiting service for fees in 2020. When direct debiting you can choose either fortnightly or monthly, details of each are as follows:

Fortnightly Payments will be worked out over 21 fortnights starting on Thursday 20/02/2020 and ending on Thursday 26/11/2020. In 2020, for your family, your fortnightly direct debit amount will be: \$ _____

Monthly Payments will be worked out over 11 payments starting on Thursday 20/02/2020 and ending on Thursday 26/11/2020. In 2020, for your family, your monthly direct debit amount will be: \$ _____

Please remember any uniform purchases made throughout the year have not been accounted for in the amounts above.

If there are fees still owing from 2019, it is advisable to increase fortnightly payments to cover this amount as well. I hope that this will assist in your payment of fees, as they are vital in the day to day running of the school. If you need to discuss the payment of your fees, please feel free to make an appointment with myself.

The amount that you wish to pay by direct debit can be nominated below, could you please fill this in and return to school. Once this expression of interest is received a Direct Debiting form from the Diocesan Development Fund will be sent home for you to complete and return to school.

Margaret Brohm
